Thomas & Betts

March 1, 2005

Controlled Substances Declaration
Thomas & Betts Corporation Cable Tie Products

To Whom It May Concern:

This is to certify that Thomas & Betts (T&B) Cable Tie products manufactured from Nylon 6/6 resin and described as Natural Nylon 6/6, Weather Resistant Nylon 6/6, Heat Stabilized Nylon 6/6, Flame Retardant Nylon 6/6, Weather Resistant Nylon 12 in the T&B catalog, products manufactured from Polypropylene resin and described as Weather Resistant Polypropylene in the T&B catalog, products manufactured from Acetal resin and described as Weatherable Acetal (Deltec series) in the T&B catalog, and all stainless steel cable tie products in the T&B catalog are **compliant with the European Directives 2002/95/EC (RoHS), 2002/96/EC (WEEE), and 2003/11/EC and are also "Halogen free"**.

Thomas & Betts also manufactures Cable Ties from Tefzel resin (TYZ23M series) and Halar resin (TYV23M series), which contain "**Halogens**". These products are also compliant with the European Directives 2002/95/EC, 2002/96/EC and 2003/11/EC. These products are used in special applications because of the specific characteristics of these two resins.

It is further declared that based on the reasonable inquiry and current information received from the product manufacturing plants and the suppliers of the raw materials used in the above listed products, this certification is true, accurate and complete at the date of this issue.
